

Beer Menu

Penitentiary Porter

A traditional English ale in the porter style using roast malts and a light hop rate, featuring English Golding hops. We wouldn't be true to our local heritage if we didn't name one of our brews after one of Walla Walla's oldest landmarks.

Walla Walla Wheat

With an abundance of wheat growing all around our fair city, we felt it was important to brew a light, easy to drink wheat beer. Served with lemon, this brew can be enjoyed all day long. An excellent transition beer.

Widmer Hefewiezen

This is the beer that began the micro brewing revolution in Portland, Oregon back in the 1980's. This full-bodied wheat, served with a lemon wedge, is a refreshing treat.

IPA

A classic India Pale Ale patterned after English Pale Ales. A fairly high alcohol content and a wallop of hops make this a beverage for the advanced beer drinker.

Sam Adams Lager

A crisp, flavorful lager with mild hops that has won several awards at the Great American Beer Festival over the past ten years. Very refreshing!

Budweiser Light

Making a consistent, clean and refreshing light beer is what Anheuser-Busch does well. It is the best selling light beer in America. We salute their success!

Stella Artois

One of the best new imported beers. It's Belgium!

Alaskan Amber

This is a superb amber style beer- great color and great flavor. It continues to win Gold Medals at the Great American Beer Festival in Denver, Colorado.

Brew 22

Fresh and sweet, with just a hint of attitude, using continental hops, yeast and water, making this beer an authentic European-inspired lager.
1999 Great American Beer Festival Silver Medal winner
in the American Lager category.

Micro Pint	3.95	Micro Pitcher	11.95	Four 7oz samples	5.95
Domestic Pint	3.50	Domestic Pitcher	10.25		
		12oz Domestic or Micro	2.95		

Don't forget to also ask your server for water. It's liquid gold...
